You became interested in the Career Coaching program because...

Why do you feel you would be a good Career Coach?

Describe the type of student you would work best with in this program.
Include age, sex, and any special needs you feel you could handle.

Explain your career and what inspired you to choose this profession.

I enjoy my profession because...

If you could change one thing about your career path, what would it be?

How would you describe your personality?

What do you do when you are not at work?

What do you like to do for fun? Hobbies, interests, activities....?

Marital status_____ Children_____ Ages_____

What impact do you feel you Career Coaching will have on you family?

Do you attend religious services? _____

Would you feel uncomfortable coaching any of the following? Please check.

- Homosexual
- Learning disabilities
- Ethnic minority
- A different race than you
- A student who smokes
- A student who lives with a boyfriend or girlfriend

Some of our students want to go directly to work after high school and do not want to pursue higher education. Would you be able to work with one of these students?_____

Specifically, when and how will you meet with and maintain contact on a regular basis with your student?_____

Career Coaching Agreement

1. I will make the students success in school, independent living, and social interactions my goal.
2. I will remember to use my listening and reflecting skills when meeting with the student.
3. I will not impose my personal or religious views upon my assigned student.
4. I will maintain a nonjudgmental attitude.
5. I will keep all student information confidential. This includes the student's name, progress in school, past history, any stories I may hear, and their affiliation with Bridges.
6. My conversations with the student will focus on the present and future. I will respect the student's privacy allow the student to define the parameters of our relationship. I will respect their boundaries
7. I will maintain communication with the career coach coordinator regarding my relationship and activities with my student.
8. I will attend as many career coaching events as I am able.
